SUPER models adjustable for tiles from 3 to 12 mm high

DISTANZIATORE AUTOLIVELLANTE MAXI SUPER

Prodotto da GRUPPO STAMPLAST, semplifica la posa in opera delle piastrelle di grande formato eliminando i dislivelli e mantenendole in posizione complanare fino alla maturazione della colla.

La posa in opera è ulteriormente velocizzata grazie all'utilizzo della nostra pinza.

Materiale: PE-HD e tirante DLIV-T015B in PP.

AUTO LEVELING SPACER MAXI SUPER

Manufactured by GRUPPO STAMPLAST, simplifies the installation of the large format tiles, avoiding the differences in height and keeping them in aligned until the glue sets. The installation is further accelerated by the use of our pliers.

Material: PE-HD and PP clip DLIV-T015B.
